

## CHILDREN'S ONCOLOGY ENDOWMENT FUND (KRTEK COEF)

Krtek COEF is a part of the Department of Pediatric Oncology at the Brno University Hospital.

Krtek COEF supports the treatment of children with oncological diseases in a comprehensive way. Children are offered treatment at the highest possible level thanks to the significant financial support.

Activities includes the support of:

- personalised treatment and research of childhood cancer;
- improving the quality of life of patients and their families;
- home care.
